

**Inaugural Distinguished Professorial Lecture**  
Professor Stephen Wratten FRSNZ

# Future farming, future food.

Professor Steve Wratten presents an in-depth analysis of how 'western' agriculture can damage the prospects for our future food security, and offers ideas for practical and 'sustainable' improvement on how we grow our food.

**Thursday 30 May 2019**

Lincoln University, Stewart Building,  
Lecture Theatre One  
Doors open: 5.30pm, event starts 6pm

Refreshments and nibbles provided. Alcoholic beverages available from a cash bar.
